

Dear member,

Navigating the pandemic for all of us has been an unprecedented, once-in-a-lifetime challenge. Empowering teams to collaborate and work remotely suddenly became paramount. We truly missed frequent personal interactions with you but used this time as an opportunity to reinvent our future.

For more than 50 years CIB has been facilitating market research studies and networking opportunities dedicated to sales & marketing professionals in the pharmaceutical industry.

We are happy to announce that we will **expand** our activities to the **full life sciences** industry and its stakeholders, creating a unique non-existing network for pharmaceutical, OTC and medical devices companies with new projects and innovative ideas. In order to live up to its name CIB will become **CIBH: Community of Intersectoral Belgian Healthcare**.

The power of a strong life sciences network that professionals like you build with peers is invaluable in allowing:

- to learn from one another
- to share knowledge
- to develop your business
- to inspire stakeholders through exclusive live events

We are grateful for your loyalty through all these years and wish you a healthy and successful symposium. We hope to see you at our upcoming events and have rewarding moments to share with each other!

**Roland De Schryver**

CIBH President
